<b>Qualification Code &amp; Title/Release &amp; Status:</b>	CHC30121 - Certificate III in Early Childhood Education and Care Release 1 / Current, 20 July 2021	
<b>Qualification Description:</b>	<p>This qualification reflects the role of educators in early childhood education and care who work in regulated children’s education and care services in Australia. They support children’s wellbeing, and development in the context of an approved learning framework. Educators use a range of well-developed skills and knowledge using discretion and judgment when carrying out their work in the context of established policies and procedures. They may work independently or under the guidance of others, though in some contexts that guidance may not be on-site.</p> <p>Early childhood educators work in long day care centres, family day care, pre-schools or kindergartens.</p> <p>To achieve this qualification, the individual must have completed a total of least 160 hours of work in a regulated children’s education and care service in Australia as detailed in the Assessment Requirements of units of competency. The total number of hours may be applied collectively across all units of competency that include the requirement for workplace hours.</p> <p>No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.</p> <p>Under the Education and Care Services National Law (2011) the Australian Children’s Education and Care Quality Authority (ACECQA) publishes lists of approved early childhood education and care qualifications and information regarding regulatory requirements here: <a href="http://www.acecqa.gov.au">www.acecqa.gov.au</a></p>

<b>Entry Requirements:</b>	<p>There are no formal entry requirements for this qualification however National Institute of Training (NIOT) requires students to meet the following criteria:</p> <ul style="list-style-type: none"> <li>- Must have, or be willing to apply for, a Working With Children's Check</li> <li>- Undertake a Language, Literacy and Numeracy (LLN) assessment</li> </ul> <p>The purpose of the LLN assessment is to determine that your LLN skills are at a level that will give you every opportunity to successfully progress through and complete this qualification.</p> <p>The LLN assessment will be conducted online and requires at least a basic level of computer literacy to complete. Our staff will be able to guide you in terms of access to the system however they are NOT permitted to assist in the completion of the assessment.</p> <p>Where it is determined that you require additional support, a student support plan will be implemented to support you through your studies.</p>
<b>Enrolment Application Process:</b>	<p>NIOT has a formalised entry process which is mandatory for all students to determine your suitability and any support requirements prior to enrolment. The process occurs as follows:</p> <p><b>Suitability Discussion</b></p> <p>Prior to enrolment, you will meet with a training advisor who will facilitate a suitability discussion. The purpose of this discussion is to identify your career goals, past educational and workplace experience to determine if the chosen qualification is suitable including the mode of delivery, physical demands and job/entry requirements.</p> <p><b>Online Language, Literacy and Numeracy (LLN) Assessment</b></p> <p>If the qualification is determined suitable for you, you will be required to undergo a Language, Literacy and Numeracy online assessment using the LLN Robot assessment tool. This assessment will allow us to identify any areas where you might require additional support.</p> <p>The training advisor and/or your trainer and assessor will discuss the contents of your LLN report if any areas for concern issues are identified.</p> <p><b>NB:</b> <i>You will also be required to provide a working with children's check prior to undertaking any training in the workplace / work placement.</i></p>
<b>Recognition of Prior Learning:</b>	<p>Recognition of Prior Learning (RPL) is an assessment process that involves assessment of your relevant prior learning (including formal and informal learning). This process will determine whether you might be able to gain recognition for some or all of your qualification. NIOT will offer each student the opportunity to apply for RPL as part of the enrolment process. The RPL process includes:</p> <ul style="list-style-type: none"> <li>▪ A trainer and assessor will contact you to discuss your RPL application</li> <li>▪ You will be provided an RPL assessment kit to guide you through the application</li> <li>▪ Once you have submitted your RPL application, your assessor will review your submission</li> <li>▪ Your assessor will conduct interviews with you to confirm evidence and may require you to demonstrate your skills to support your application</li> </ul>

	<ul style="list-style-type: none"> <li>▪ A final determination will e made by your assessor and feedback will be given about the outcomes</li> </ul> <p>Where RPL is granted for one or more unit of competency, your course duration will be amended accordingly, and course fees may also be adjusted as a result of the RPL outcome.</p>
<p><b>Course Credit:</b></p>	<p>Course Credit is available to you where you have previously completed either a qualification or a unit/s of competency that are on NIOT's scope of registration. Where the qualification and/or unit/s of competency are equivalent, course credit can be applied to your enrolment. If you wish to apply for course credit you can do so by completing <b>F-315.3 Course Credit Application Form</b> and submitting to NIOT along with your supporting documentation.</p> <p>You will need to supply the following evidence for your course credit application:</p> <ul style="list-style-type: none"> <li>▪ Statement of Attainment</li> <li>▪ Transcript of Results</li> <li>▪ AQF certification documentation</li> <li>▪ Photo identification</li> </ul> <p>Where Course Credit is granted for one or more unit/s of competency, your course duration will be amended accordingly, and course fees may also be adjusted as a result of the course credit outcome (where applicable).</p>
<p><b>Student Support Services:</b></p>	<p>If at any stage throughout your training you are having difficulties with any aspect of the course (this may include trainers, assessment or any personal issues that are affecting your ability to study) you are advised to speak with your trainer or NIOT staff directly. Examples of support services offered at NIOT include, although not limited to:</p> <ul style="list-style-type: none"> <li>▪ One on one or group coaching</li> <li>▪ Modification to the delivery and assessment</li> <li>▪ Modification of materials and/or resources</li> <li>▪ Deferral of the course to allow for foundation skills training</li> </ul>
