HIGH REACH FORKLIFT

INCLUDES BOTH COUNTERBALANCE AND HIGH REACH FORKLIFT TRAINING

COURSE INFORMATION

This is a general qualification for the Warehousing and Storage Industry. It involves a defined range of skilled operations, usually within a range of broader related activities involving known routines, methods and procedures, with some discretion and judgement in selecting equipment, services or contingency measures and within known time constraints.

This qualification is typically delivered 2 days a week over a duration of 19 weeks.

Upon completion of this qualification, students are eligible to apply for roles such as:

- Forklift Driver
- Logistics Officer
- Warehouse Operator

This qualification is delivered out of our Kenwick and Mandurah locations.

"My trainers were very supportive. They were able to get their point across using different methods to ensure I understood. Train with NIOT - they are professional, helpful and have helped me secure a job that I love! It is absolutely worth the time and effort".
